Jean-Claude Cormier
President
Board of Directors
Second Chance Workshop
315 Baig Boulevard
Moncton, N.B.

Dear Mr. Cormier:

The Town of Riverview would like to extend a sincere 'Thank You' to everyone at the Second Chance Workshop for offering employment opportunities to individuals currently unemployed and on social assistance in our region.

We truly believe in the work that Second Chance is doing through your fantastic initiative. Please know that your community supports your mission to bring positive change to so many lives. You are making a real difference in helping individuals achieve their full potential!

We applaud you not only for assisting members of our community who are experiencing challenging times, but for also doing a terrific service for our planet by recycling and repurposing gently used and donated furniture and appliances.

On behalf of Riverview Town Council and the citizens of Riverview, I offer best wishes for your continued success!

Sincerely,

A handwritten signature in black ink, appearing to read "Ann Seamans".
